

HYMN: To Our Lady

O Lady pure, awake our souls
With love and light to guide our ways
To fill our minds with thoughts of Love
And guide our hearts in ways of Truth

O Holy Spirit spouse of her
Who opened hearts and led the way
To teach to us Eternal Truth
That all may follow and be saved.

Now at this consecration may
We come to know and love and pray
So imitating you this day
May we partake in all His grace.
